

WANAMAKER'S

The Wanamaker Store.

On the fifth floor (dressmaking parlors) we offer for sale at one-half the former fair prices about fifty costumes, embroidered blouses, street and evening dresses, made up by our own dress-making staff for exhibition purposes. Prices now range from \$40 to \$100.

In deference to a strong and increasing demand, we have again put on view the larger part of the Imported Costumes from Drecol, of Vienna, and Corne, Worth, Paquin, Doucet, and others, of Paris, which made such a marked impression on our Public at the time of their former exhibition two weeks ago.

They will be shown on the second floor, until further notice.

Women's Bicycling Costumes

JUDGING by the demand for them, news of wheeling costumes will be received with interest. We have only correct and tasteful kinds here, but a wide variety in them, so that you may be as demurely dressed or as strikingly costumed as you choose, yet never unbecomingly nor incor-rectly.

Much ingenuity has been expended on these gowns. It is really a difficult problem to get up a suit which shall be attractive and stylish, yet perfectly practicable. We have them, however, in numbers.

Prices will range from \$10 to \$35. The \$10 kind are reliable, pretty and serviceable in spite of their low price. \$15 and \$20 will buy some beautiful productions.

Novelty Dress Goods

If you are one of the several thousand women who purposely delayed purchasing a gown until after the Easter rush, your time has now come, and a rich opportunity with it. We have had two belated shipments of the very finest of Parisian fancies, black and colored both, and the variety here is quite as large as two weeks ago. You have lost nothing by delay, and perhaps you have gained something in knowledge from Easter observations. These prices may interest you:

NOVELTY BAREGES
At \$3 and \$3.50—Self-colored narrow Bayadere striped Barege, silk-and-wool combinations; six patterns.
At \$3.45—Bayadere Striped Bareges, in combinations of delicate and strong colors with pure white.
At \$3.25 and \$3.50—Plisse Bareges, in Bayadere plaits of silk; black, on grounds of gray, brown, electric blue and cardinal.
At \$3.50—Satin striped silk-and-wool Barege. Others at \$1.50, \$2 and \$2.50 a yard.

Children's Wash Dresses. THEY try very hard sometimes to keep their pretty dresses immaculate, these little women, but they do so easily, don't they? Did you ever know a little one that had too many dresses during the Summer? We're now showing lots of very pretty dresses and suits in new and pleasing styles. Prices are pleasing, too—none of them expensive. Why not get the outfit now, when the required outfit is so small? Some of the new sorts mentioned below:

At \$1.25—Of percale, in pretty pink or blue stripes; round yoke of white lawn; tiny plaits and hemstitching; ruffle around yoke, also hemstitching; neck and sleeves neatly trimmed with band of hemstitching and embroidery edging; same style in dimity, with embroidered yoke; 4 to 8 years.

At \$1.85—Blouse suit of pink, blue or cardinal percale, for girls or boys; skirt cut; double ruffle over shoulder; neck and sleeves neatly trimmed; 4 to 8 years.

At \$2.75—Gretchen dress, of lawn, wide skirt with three fine plaits; yoke of insertion and plaits; ruffle around yoke; insertion and ribbon belt, and ribbon bows on shoulder.

At \$4.75—Eton suit of white percale; full gathered skirt; wide sailor collar; sleeves and collar trimmed with Swiss embroidery and insertion; vest of colored lawn, neck trimmed with lace edging.

Wedding Invitations. We will give you the finest work possible to the engraving art. We will use nothing but the best stock and the very latest styles. We are proud of the work we turn out. It costs you the first—

For the first hundred sets, with inner and outer envelopes, \$5, \$7.50, \$10 and \$12, as you choose the stock.

For each additional hundred, \$2, \$2.50 and \$3.

Broadway and Tenth street.

Headquarters for Shirt Waists. LOCATED on the second floor—only for a little while as they'll soon find new homes—are the new shirt waists for Spring and Summer wear. They're here in vast assortment, too. Mention your preference, and we'll show you the garment. There are many new and very pretty styles here with which perhaps you're unacquainted. They're new to us, and we think them very attractive. Maybe you'll agree with us. They're of lawns, piques, percales, madrases, chevots and Swisses. Cost? Some as low as 50c; from that they run up to \$4.

Boys' Long Trousers. We like to have the boys of 14 to 19 come here. They're usually well informed as to what constitutes correct style, and they're well pleased with the clothing shown here. It's our constant effort to please them. The unusually large stock of boys' clothing has just been largely augmented—five new lots of stylish chevot and worsted suits, with three-button cutaway sacks, double-breasted vests and medium tight trousers, small at bottom. Suits that look as well as if made to order at \$18 to \$25. Here they are \$12 and \$15. Small men can be fitted in this stock, and thereby make a substantial saving.

Gun-Steel Chains. AMONG a hundred new and pretty things which the Novelty Store is showing, you will find these clever little chains, in vest and long-length lengths. They are called "snake" chains, and as soon as you see one or touch one, you'll understand why. They are silky-smooth to the touch, close-knit, solid and immensely strong, but as flexible as a cord. They are made from gun-steel, with a high polish; a late Vienna fancy. A nearer chain cannot be devised. Vest lengths, 50c. Longnetic lengths, \$1.25.

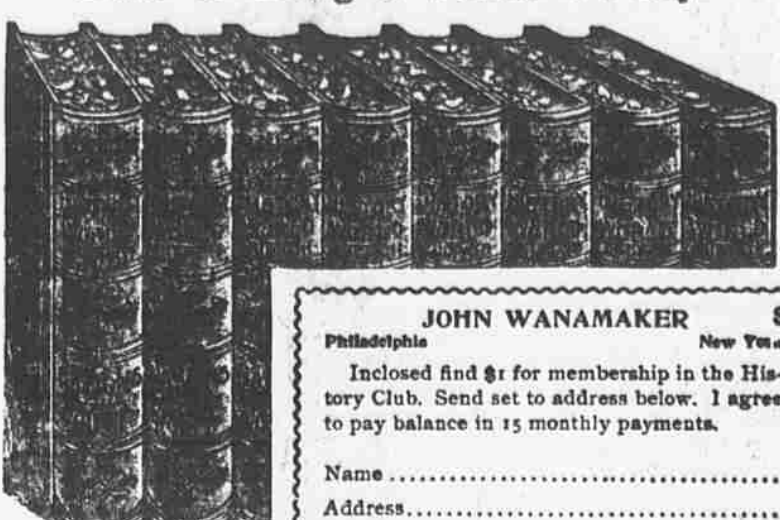

No man can read the history of the United States as told in Ridpath's History of the World without increased respect and affection for "Old Glory."

Dr. Ridpath is intensely American and patriotic. Without vain boasting he recounts the achievements and deeds of our countrymen on land and sea in sentences and word pictures that stir the blood.

There is no sentiment more desirable to instill into the minds of our young men and women than love of country. There is no better way to do this than to make plain the reasons for being proud of America and American Citizenship. This Dr. Ridpath has done better than any other historian.
